

POOL PROJECT STARTING OCTOBER 13TH - AREA TO BE CLOSED FOR 4 WKS+

The pool project is scheduled to start on October 13th. If all goes well, it should take approximately 4 weeks from start to finish. Additionally, the interior of the sauna will have new wood installed as well. For obvious reasons, the area will be off limit to everyone.

If you live near or around the pool, you may want to leave your windows and doors closed from around 7AM – 4PM each week day. There will be noise and dust from the jackhammering and pouring of the concrete.

We apologize for the inconvenience and thank you for your patience.
